Prescription Drug Collection Event  Do you have old prescription drugs you want to dispose of to help keep them out of our water supplies? Join us at the Violet Township Service Center, 490 North Center Street in Pickerington on Saturday, April 27 from 10 a.m. - 2 p.m. to dispose of unwanted prescription pills and electronic recycling. There is a charge for computer monitors and televisions, so please go to our website at www.fairfieldswcd.org and get all the details.

Prevent Stream Litter! Since you live at the top of the watershed, you can really start things off right for Poplar and Sycamore Creeks by keeping newspapers and advertisers out of the ditch in front of your home. On trash collection days do a quick look up and down the street for a foam cup or envelope that might have blown out of the truck and grab them before the wind pushes them closer to the stream.

If you would like to find other ways to help with organized litter collection activities with your business, 4-H Club or community group to help make Liberty Township a “greener” place call Liz, Environmental Education Specialist, with Lancaster Fairfield Community Action Recycling and Litter Prevention office at 740-205-8027.
